Reflections on Teaching, Learning and You

What are your beliefs about teaching?

Reflection #7

TAKE a moment to analyze your beliefs about your role as a teacher. The following questionnaire, the Teaching Perspectives Inventory will help you to clarify these beliefs as well as to interpret what such beliefs mean for you as a teacher. Please visit the following link to take the TPI.

Teaching Perspectives Inventory (http://www.teachingperspectives.com/html/tpi_frames.htm)

After taking the TPI, what have you learned about yourself as a teacher? What do you believe the overall goal is for learning and based upon this belief, how do you or will you manage the teaching and learning process?
